➤ Possible Discounts

Church Discount

If Good Shepherd Community Church is your home church and you give at least \$5,000/year to the general fund, you're allowed a Church discount (this will be verified by the church financial secretary). You may deduct \$840 per year (\$70/month for 12 months, July-June). Unless your only child is a ½ day kindergartner, then the discount is \$420 (or \$35/month for 12 months, July-June). This is one discount per family (not per child).

Parent Service Discount

We offer another deduction to the above rate for serving at the school. If you're able to commit to one full day (\$1,140/year or \$95/month for 12 months, July-June) or one half day (\$570/year or \$47.50/month for 12 months, July-June) per week you may take this deduction. This is one discount per family (not per child).
