Dear Parents of Future First Graders,

I look forward to the fall and getting to know the new first graders! If you’d like to talk before the school year starts please email me at alexis.culp@gss.k12.or.us. I’d be happy to answer any questions and even meet to discuss useful activities to prepare your child for September. As I pray for the students, I ask God to give each of them a positive year of learning and discovery, a firm foundation of reading and math skills, and lots of good friendships.

The following is a supply list for that fun back-to-school shopping. Please fill out the information sheet on the last page and return it to the school office at your earliest convenience. You can even take a picture of it completed and email it to me too if that’s easier.

Your Eager and Excited Teacher,
Mrs. Stumbo
Dear Parents of Third Graders,

I am looking forward to what is going to be an action-packed, fun filled year of learning! My hope for your third grader is that this classroom will be a safe learning environment that will provide your child with countless opportunities to develop his or her academic, social, and life skills. I set high expectations for the children feeling that they will reach no higher than the expectations I set for them.

During the first week of school, keep an eye out for an informational packet that will go home with your third grader which includes answers to frequently asked questions. I am praying that you enjoy the rest of your summer and that this coming school year will be one of growth and many successes!

In Christ,

Mrs. Schaefer
