Dear Good Shepherd Families,

It is a privilege for me to have this opportunity to teach your child in fourth grade. I look forward to a year of growth and success. I love kids, and I love to see them learn and grow in their faith. I am praying that our class will bond and learn how to treat others as they would want to be treated.

The first week of school a packet will come home with lots of information. It can be overwhelming, but it is crucial that you read it all, and fill out the form about your child. This gives me the opportunity to get to know them better.

I am excited for our new year together!

Enjoy the rest of your summer!

Warmly,

Mrs. Springer
