

## Seventh and Eighth Supply List

Welcome to the new school year! We're looking forward to a great one. Your child's classes will consist of English (grammar and writing), literature (novel reading, poetry and vocabulary) history, science, Bible and math. They will also have PE, music, art, computer and other elective choices.

Below is a list of supplies each student needs to bring the first day. If you have questions, please talk to the teacher requesting the supply. Where we've put *all*, this indicates the supply will be used in all classrooms, and you can speak with any of the teachers about those supplies

Sincerely,

Good Shepherd Junior High Staff
